WDIY Announces a New Media Partnership with the Garlic Festival of Easton.

(Lehigh Valley, PA) WDIY 88.1 FM is pleased to announce the media partnership with Easton Pennsylvania's 2007 Garlic Festival. The festival is Saturday, October 6th in Centre Square, located Easton's downtown historic district. Opening ceremonies will begin at 10 a.m.

Join the celebration and *Eat, Drink and Stink* at this year's Garlic Festival. The event will include delicious garlic foods from local vendors, cooking contests, three celebrity chef cook-offs, blood donation sites, beer and wine tasting and live music. The Easton Farmers' Market will be providing garlic-based foods, crafters and facts all focusing on, what else...*garlic!*

Meet local farmers and garlic growers, enjoy the sights and smells of cooking demonstrations and garlic food samples, support local and regional vendors and buy fresh garlic and garlic foods or simply be educated about the bulb, its health benefits, and organic gardening at seminars scheduled throughout the day.

Tune to WDIY 88.1 FM for more festival details or visit www.eastongarlicfest.com.
